

WINGRA WATER SPORTS CLUB

Wingra Canoe & Sailing Center is located on Lake Wingra at 824 Knickerbocker Street, just off Monroe Street and behind Knickerbocker Place Shopping Plaza. The Lake is surrounded by the UW Arboretum and this spring fed lake allows no motors on the weekends, and no wake on week days making it a great place for canoes, kayaks or windsurfers.

The Wingra Water Sports Club was created to give unlimited access to our watercraft during the membership period. We offer over canoes, kayaks, paddleboats, rowboats, windsurfers, sailboats, and a rowing shell. With over 100 boats we have something for everyone.

With your membership comes a skilled staff dedicated to ensuring that your time on Lake Wingra is enjoyable. We check over the boats daily to ensure they are safe and clean and will help you in and out of your boat. Our memberships are limited so sign up today!
